HISTORIC WARTRACE SHOW CROWNS HE'S VIDA BLUE AND CHAD WILLIAMS THEIR ANNUAL STAKE CHAMPION

WARTRACE, TN- On Saturday, August 3, 2013, the East Bedford Civic Club and the Cascade Parent Teachers Organization held their Annual Walking Horse Show. Everyone looks forward to this historic show always held the first Saturday in August. A blue ribbon at Wartrace is seen by many as a step toward a Celebration blue. The Tennessee Walking Horse Museum is also located now just a few steps from the show grounds making the Wartrace show even more historic.

The flag carrier for the show was the precious twins of Beth Beasley with their lead line ponies, Texas Pete and Rattle And Snap. The judge for the event was Joel Weaver of Shelbyville, Tennessee who actually judged last years Celebration. The show added a lead line class to start their show off right and a Park Pleasure Youth class as well to give the show plenty of classes so everyone could compete.

Two talented entries made the gate call for the Walking Stake. After the final running walk, new team of Multi World Grand Champion He's Vida Blue and Chad Williams in the irons for his debut performance took home the Championship honors for Dr. Jim and Kay Green. Reserve in the class was awarded to Intensity and Brock Tillman for Stephanie Gordon Roy.

Show Manager, Roy Ferguson, thanks everyone for their participation and hopes that everyone will make plans to attend next year's event the first Saturday night in August.

For a complete listing of show results and the latest industry news, please visit our FREE website at www.thescooponline.

Park Pleasure Amateur Champions in Wartrace were Evil Patty Gray with Meghan Davis in the irons for the partnership of Harold Volkart and The Mike Davis family. Meghan and Evil Patty Gray made their debut show a blue ribbon ride.

Lead line Champions in Wartrace were Texas Pete with BiBi Beasley with Jada Callaway at the lead and Rattle And Snap with Maxine Beasley aboard and Beth Beasley at the lead.

World Grand Champion, He's Vida Blue carried new trainer Chad Williams to the blue in the Walking Horse Stake Riders' Cup class at the Wartrace Horse show for proud owners Dr. Jim and Kay Green.

Jazzmine Lady and Winky Groover were met by fans following their blue ribbon performance in the Three Year Old Mares & Geldings class. This fine entry recently won at the Red Carpet Show of the South for proud owner Jo Ann Dowell of Powell, Ohio.

The Scoop For The Walking Horse Industry

LETTER TO THE EDITOR

Editorial Staff, To whom it may concern...

Below you will find an editorial sent to me by a friend and a friend of the TWH..I, in turn forwarded it on to several people and we all agree that it should be widely published and widely read..Seeing all of the negative things that have been going around about our beloved TWH's , we feel that it is time that something positive should be published, and this might just be it...I believe that it is well written and describes the process of inspections that we all know goes on but are not so well able to put it into words as well as this author does.

Thank you for your time,
Jerri Alberti, A long time owner, exhibitor and supporter of
the Tennessee Walking Horse

As promised, I want to take a minute to explain what it involves to own, show, love and train a Tennessee Walking Horse (TWH). I have Friesians, I have TWH's, both flat shod and performance shod, meaning they wear pads on their feet. First, the pads DO NOT injure, harm, or otherwise have a negative impact on the TWH, despite what the liberal media radical animal rights extremists state as truth. It is not. The pads only enhance what is a natural gait for the TWH. The media and the activists organizations have tried in every manner to portray anyone that owns, shows, rides, and loves a TWH as an animal abuser. Again, a total lie, used by the activists to destroy the performance TWH in both the public image and perception. Now that the political parts are out of the way, I will explain in detail what one must endure to show, own, train and love a TWH.

The USDA has the HPA to use as their basis for all of what I am about to explain. Finding these procedures under the HPA will be a challenge to anyone that chooses to research it since they do not exist under the HPA law as written. What the law does state is that no horse will be allowed to show at any horse show, horse exhibition or horse sale if that horse is deemed "sore". That is the law, it is a commerce law, and it was put in place to prohibit a "sore" horse from winning a show over a horse that is not "sore". The basis of the law was to keep the "sore" horse owner, rider, trainer from not receiving awards and premiums over a non-sore horse, which under the HPA would cause a commerce issue. All the animal rights issues ARE NOT part of the HPA. That is something that has been allowed to grow and become an issue because the HPA has been interpreted and reinterpreted every show season. What is legal one year is illegal the next, and so it goes on and on until this is where the industry is regarding the ability to show a TWH.

At a show where the USDA is in attendance, as described above regarding the Savannah, TN show, or any other TWH show where the USDA is in attendance, the TWH must be led to the inspection area necked. No saddle, nothing but a bridle on the horse. Attendants must follow with saddles (and western saddles are no light saddle mind you). When the horse is first led to the inspection area, the first inspection is a retina scan of the horse's eyes. This is being used as a "carfax" for horses, such that the USDA can see everything that this horse has ever had questioned on it, whether or not it was dirt on its foot (a foreign substance federal criminal violation) to a scar rule ticket (which is written when an inspector feels or sees something out of their subjective opinion). Once the retina scan is complete, the horse then moves to the Thermograph machine inspector, who shoots images of the horse's legs to look for heat or any sign of soring. The next stop is

at the x-ray machine inspector, to look for anything in the horses hooves, or to see if the horse has any rotation of their coffin bone (this rotation is common in all breeds of horses, but the TWH will not be allowed to show rotation on the x-ray, and yet it has ZERO to do with soring a horse, go figure) The next stop in the inspection tent is the "Swabbers" who are inspectors with swabs to rubs on the horses feet, looking for any foreign chemicals on the feet, then the swab samples are then sent off to some lab somewhere inside the USDA to test each swab, at a great tax payer cost) and one day in the future the owner will receive a letter stating what was on that swab. Most of the agents to date are common every day products, hair spray, shampoos, lotions, hoof polish, etc, yet under the USDA foreign substance rule, ANYTHING (dirt, flyspray, shampoo, etc. is deemed a violation of the federal HPA and can result in a federal criminal charge). The next stop is when horse is directed to walk a tight figure 8 inside and outside of orange cones. If the horse does not appear to walk "just right", then it is again subject to a criminal federal charge. The final stop in the inspection tent is when the USDA and/or Industry inspectors physically mash and prod on the horse's foot for a reaction of any kind. If that horse moves, twitches an ear, blinks an eye, again, information will be taken by the USDA for a potential federal criminal charge of horse soring. Now, bear in mind, this is a horse, a fight or flight animal, that has undergone several gauntlets already, who now must stand statue still while a stranger lifts it leg high into the air, and mashes, pokes, prods, parts hair, and digs around on the foot, and expects the horse not to react in any form or fashion. How many of you with Friesians think your horses would stand for this type of inspection? How many do you think would stand statue still while one leg is suspended in the air sometimes for 3 minutes at a time? However, once a TWH passes thru all these gauntlets of inspection, it is declared compliant with the HPA to show. The happy exhibitor greets their horse after the inspection, and horse is saddled and prepared for the class to show. After the class is over, usually 15 minutes tops from first presentation at the inspection station, if that horse should be lucky enough (or unlucky enough, depends on your perspective) to place in the first three places, it wins a ribbon and it then gets to go BACK thru the inspection gauntlet again AFTER it has shown. It is after the class, after it first passed all the preshow inspections, that the famous SCAR rule tickets are born. Because you see, a horse will pass the preshow inspections, and then 15 minutes later, after the class is over, and the owner is so happy with their 1st thru 3rd place ribbon, they then receive a SCAR rule ticket as a parting gift. And yes, a SCAR in the USDA's eyes means that the horse was SORE sometime in its PAST... not at that moment as previously proven 15 minutes earlier with the preshow inspection... but regardless, it is classified as a SORE horse because a SCAR appeared in 15 minutes, and along with that quick forming scar, a new Federal Criminal charge is born.

So, let's see, why do I love my TWH's and why do I continue to expose myself to federal criminal charges every time I go to a TWH show??? BECAUSE I know what is right. I know my horses are compliant with the HPA. I know that most, and I believe the last compliance percent was 98%, of ALL TWH that are shown are compliant. So, why do 9 inspectors for the USDA attend a Saturday night TWH show with less than 100 entries total? I will let you answer that one on your own...."

Tennessee Walking Horse, Tuff, Goes Canadian!

When Skyjacker's Mountain High and I received the invitation to compete in the Cowboy Up Challenge at the famed Calgary Stampede, my first instinct was to respectfully decline. After all, it is about 5,700 miles round trip from Bushnell, FL to Calgary, Alberta, Canada. Crazy, right? Well, I guess we proved that horse people really are crazy! After much discussion about cost, time and how the horse would handle the trip, Wayne Conkle and I decided to accept the invitation and work out the details. Everything fell together and Wayne found a great traveling partner in Melissa Bailey. They made the long journey through a lot of beautiful country, stopping to enjoy some great hospitality and literally crossing the whole country.....for an Extreme Cowboy Race!

Lisa Steinbach, Diane McMurtrey, Rebecca Adams and I made the long flights from Florida to Calgary. Off to show the world that a Tennessee Walking Horse may not be the "traditional" cowboy horse, but we can hang with the best of them.

The Stampede folks made sure we had access to all of the activities, including the rodeo, chuck wagon races, agriculture exhibits, etc. It was an experience of a lifetime! For those not familiar with the Calgary Stampede, it is 10 days of animal and agricultural activities with over 150,000 people A DAY passing through the gates!

Ordinarily, the Cowboy Up Challenge is held in the Saddle Dome on the Stampede grounds, however, due the major flooding experienced by the area just two weeks before the event, we were moved into the Big Top Arena which was much smaller. There was standing room only in the audience and Tuff loved to hear the roar of the crowd when we made our way through the courses consisting of running, roping, jumping, VERY tall bridges, water, ground ties, standing in the saddle, spinning and lots of other fun obstacles.

Just being able to compete against all of the professionals was so special. Tuff and I usually compete in the Non Pro division of the EXCA, however, at the Stampede Cowboy Up Challenge, we had to compete against the professionals. There were only a few of us that weren't pros, so to finish fifth among the most elite of the sport.....Well, we were thrilled, to say the least! I'm still smiling!

Thanks to everyone that came to our obstacle schooling days, which funded the fuel for the trip. Also, to the sponsors that gave so generously to help us get to Calgary and to everyone that stayed home and took care of the farm while we were gone. All of the great comments on Facebook, live stream, You Tube, email, etc. from those that watched the event from home, made it even more special. We rode every step with you guys!

We may not get to do it again, but not everyone can say they competed at the Calgary Stampede!! Tuff is now enjoying a semi-retirement.....munching grass, giving a few riding lessons and eating a lot of treats and carrots!

He's Intimidating Intimidated The Competition At The Roger Latham Memorial Horse Show

The Roger Latham Memorial Horse Show was held at the Baileyton Arena, Baileyton AL after a large rainstorm passed over. After a slight delay the show continued to move along as planned. Todd Claborn and Parole Breaker Walked Away With The Blue Ribbon at the Fentress County Fair Horse Show

JAMESTOWN, TN – August 10, 2013 was the date of the Fentress County Fair Horse Show at the Fentress County Fairgrounds in Jamestown, TN. This marked the 56th year for the show, which was held in memory of Arnold D. Wright. The event was sponsored by the Fentress County Fair Association. Trophies and ribbons were awarded to the top competitors in each class along with the winning checks. The Honorable Keith Bryant came all the way from North Carolina to mark the cards. The show affiliated with S.H.O.W. HIO and the DQP's did a great job getting the horses inspected in a timely manner.

The concession stand had great food that seemed to be enjoyed by all. The show started with the stick horse class and had 3 entries. The Lead Line class had 6 entries and all participants received a blue ribbon. This year's winner was Parole Breaker and Todd Claborn for owner, Barron Witherspoon of Cincinnati, OH. Reserve went to Naples Ritz and Scott Beaty for owner Fred Allred of Jamestown, TN. The evening also provided Racking classes, which were exciting to watch. Be sure to mark your calendars for next year's show.

THE SCOOP was proud to be on hand to greet each champion after they made their blue ribbon victory pass and to celebrate their win. For complete coverage of this show and other industry news, go to our FREE website at www.thescooponline.com.

Performance Show Horse Association Announces Opposition to PAST Act
Shelbyville, TN – Today, the Performance Show Horse Association (PSHA) shared its opposition to the Prevent All Soring Tactics (PAST) Act, being offered by U.S. Senators Kelly Ayotte (R-NH) and Mark Warner (D-VA). The House version - in amendment form - was introduced earlier this year by Congressman Ed Whitfield (R-KY).

“PSHA strongly opposes the PAST Act because it would destroy an entire equine division, costs tens of thousands of jobs, eliminate hundreds of millions of dollars in economic activity and millions in charitable giving, devastating communities and people's lives throughout the country,” said Terry Dotson, PSHA Chair.

The PAST Act would:

- Eliminate a total division of the equine breed, impacting more than 10,000 horses that would be deemed no longer fit for their intended purpose;
- Take from hard-working taxpayers hundreds of millions of dollars of investments and income without cause or any scientific evidence;
- Eliminate the Horse Protection Act's self-regulation, which is far superior to that of the federal government and which does not need the hundreds of new federal employees required by Whitfield's amendment;
- Create a new federal bureaucracy that will result in a cost of tens of millions of dollars for taxpayers.

TWHBEA WORLD VERSATILITY SHOW SUPPORTED BY NUMEROUS SPONSORS

Lewisburg, TN - As with most any horse show, the 2013 Tennessee Walking Horse Breeders' And Exhibitors' Association (TWHBEA) World Versatility Show benefited from numerous sponsors. Each of these sponsors generously supported the show and they are each recognized on the Association's website, www.twhbea.com. Included in this group of sponsors, for the first time, was the Humane Society of the United States (HSUS). The decision to accept a sponsorship from HSUS was made solely by the TWHBEA Pleasure Horse Committee, chaired by Pleasure Horse Vice President Rick Wies. As part of the terms of the sponsorship, HSUS was also allowed to set up an informative booth at the event, with the understanding that the information provided would abide by and honor the intent of the show. Booth space at the World Versatility Show was available to any individual or group on a fair and equal basis with the request made that each and every booth abide by and honor the intent and purpose of the event.

PRESS RELEASE

SHOW ACCEPTS USDA'S MINIMUM PENALTY PROTOCOL

Shelbyville, TN - The SHOW Horse Industry Organization (HIO) today announced they would adopt the minimum penalty protocol proposed in a rule last year by the USDA. These penalties will be effective immediately and will be in force at this year's Celebration starting Wednesday, August 21, 2013 and at all subsequent SHOW affiliated horse shows.

"SHOW agrees with penalties and since its inception in 2009 has had the harshest penalties in the industry. We did however disagree with the rule because we believed it would have a negative impact on the reform movement now taking hold in the industry," said a SHOW HIO spokesperson.

SHOW filed the lawsuit on June 26, 2012, along with two other parties. After a year of court hearings and meetings, the judge ruled in favor of the USDA and the validity of its requirements of HIOs to adopt the minimum penalty protocol as part of their certification with the department. SHOW had a very short amount of time to make a decision before The Celebration but has decided to begin implementing the minimum penalty protocol at the event.

After the judge's July ruling, SHOW officials consulted with their legal counsel, advisors and the USDA prior to making their decision. "We were put in a real time crunch with the judge's ruling taking a year and coming out less than a month before the Celebration. In order to protect Celebration exhibitors, it was previously announced that anyone who had entered horses by the deadline of August 6 and who disagreed with the subsequent decision on the penalties could withdraw their entries and have their monies refunded prior to the show," said Mike Inman, Celebration CEO. "We would have liked to have had more time to alert our exhibitors but unfortunately were not able to do that."

In addition, SHOW also informed USDA officials that they would not be appealing the judge's decision but pointed out there were two other parties to the law suit who still had the option to appeal. SHOW representatives met with Dr. Chester Gipson, Dr. Rachel Cezar and Dr. Andrea Morgan on Friday August 16 for over two hours. The discussion included a recap of this year and both organizations praised the cooperation between the USDA VMO's and the SHOW DQP's. Logistics, procedures and planning were also discussed with no significant changes being anticipated.

WHOA SHOW CANCELED

The WHOA Kentucky Incentive horse show scheduled for August 10 in Franklin, Kentucky is postponed until October 5. The rescheduled show will be held in Franklin, Kentucky at Kentucky Downs starting at 2 pm.

The fall schedule for the Kentucky Incentive show shows dates are October 5, October 12, October 18, October 19 (championship show), November 2 and November 9. The October 12 show is scheduled for Brownsville, Kentucky with the remaining shows held at Kentucky Downs in Franklin, Kentucky.

For more information contact the WHOA office at 615-494-8822, or go to the website at www.walkinghorseowners.com.

MEET THE JUDGES OF THE 75TH ANNIVERSARY CELEBRATION

Rollie Beard *Derek Bonner*

Rollie Beard is no stranger to the Walking Horse Industry. He is a native of Belfast, Tennessee and was brought up around the Tennessee Walking Horse. He started out his training career by showing foals under the direction of Buddy Musgrave. It didn't take Rollie long to realize this was the career he wanted to pursue. In 1983, he was living in Mobile, AL and decided to open up his own training facility. His business was in operation for 15 years and then he decided to relocate to Middle Tennessee. It didn't take long for customers to bring well-bred colts to him to break and eventually show at shows in the area. During his years as a trainer, his show ring career included six world championships and many first place ties.

Rollie has judged the Celebration six times and this year will be his seventh. His Celebration judging began with the 50th anniversary in 1988 and this year which is the 75th anniversary, which by the way, he is extremely proud and honored to have been asked.

Rollie decided several years ago to shut down his training facility. He served as the Director of Judges for SHOW. It's not unusual to find Rollie selling real estate in the Lewisburg area. You might even find him performing the duties of an insurance adjustor.

Beard has three children, Thomas (Melissa) Wilson and Katie. He also has three grandchildren which he adorns. Their names are Elise, Lane and Taylor.

Derek Bonner is the rookie of the group, and has directed customers along the way at various horse shows and even at previous Celebrations. He is from Mooresboro, N.C. He was raised in Mayo, S.C., and he became involved with the Tennessee Walking Horse at age 14. After graduating from high school he became employed at David Polk Stables. He gained a good deal of experience while training this wonderful breed. He and Debbie married in 1988 and began the operation of Bonner Stables in Mooresboro, N.C., where they made many World Champions and several World Grand Champions. Derek and Debbie have a son, Austin, of whom they are very proud of.

This will be Derek's first time judging the Celebration. We all have lots of confidence in him and know that his professionalism will persevere. He is honored to have been chosen for this job, to judge the 75th Celebration.

Jamie Bradshaw

Jamie first judged the Celebration in 2006. He was the youngest person to have ever served in this capacity. In 2008 and 2011, Jamie quickly became a veteran Celebration judge.

Jamie and his wife Chrissy live in Union Grove, AL with their two children, 10 year old Brody and 6 year old Ella. Both of these children want to continue the family tradition of working and showing Tennessee Walking Horses. Bradshaw works as a trainer for Ferguson Farm in Union Grove, AL. This will be Jamie's fourth celebration. He brings more than 20 years of experience in the walking horse industry.

MEET THE JUDGES OF THE 75TH ANNIVERSARY CELEBRATION

Allen Forman

Allen Forman is about to perform his second appearance as a Celebration judge. This first time was in 2007. He is not a stranger to the judging world as he has been known to judge some of the top showcase shows in the industry, to name a couple, The Celebration Spring Fun Show, Woodbury Lions Club and this year he had the opportunity to judge the Gulf Coast Charity in Panama City Beach, FL.

Allen is from Thomson, GA. He was born in Kentucky and grew up on a tobacco farm. He learned very early in life the meaning of hard work. Forman's grandfather had a love for horses and was active in organizing the Kentucky county fair horse shows. In 1975 Allen went to work for Eddie Martin of Clark Brown Stables in Morab, KY. He also worked with Bill Bailey before moving to Wallace Brandon Stables. In 1981, he decided to go out on his own. In 1994 he moved to his current location in Thomson, GA. Allen has made many talented horses over the years including the 2002 Reserve World Champion Seve.

Leigh Stuart

Leigh Stuart is from Alvaton, KY. She will be judging all divisions of the Celebration for the very first time. She judged pleasure divisions of the Celebration in 1996 and 1997.

Ms. Stuart graduated from Western Kentucky University with a B.S. degree in Agriculture and has trained Tennessee Walking Horses for the public since 1982. Her expertise is in both the flat shod division, performance horse division and teaching equitation. She holds a judge's license and has judged many prestigious shows. Most of Leigh's family members are involved in the walking horse industry. Her son, Ricky Bennett is a farmer in Warren County, KY, and her daughter Paige Bennett is completing her last year at University of Louisville. Paige won the 2010 World Grand Champion Equitation Rider honor under her mother's direction.

I am honored to have been chosen to judge the 75th Annual Tennessee Walking Horse National Celebration.
