WHTA Celebrates 58th National Trainers' Show

John Allan Callaway and Ohtani were the winning duo in the Walking Horse Championship.

SHELBYVILLE, TN- The Walking Horse Trainers Association officially kicked off the 2026 show year for the Tennessee Walking Horse industry on March 26th, 27th and 28th at Cooper Steel Arena. The event was their 58th Annual National Trainers' Show. The crowds were supportive, enthusiastic and large each night, which made the competitive atmosphere even better. Show management was proud to announce 426 entries were recorded. Judging this year's horse show was Amber Zahnd, Ryne Parker and Johnny Puckett.

This show offered classes for every age and every division. Stick horse and Lead Line contenders to riders over 70 years of age

entertained the spectators. Horses in all Pleasure and Performance divisions were showcased and wowed the crowd nightly. The battle of the Riders' Cup was also wide open as this show was a 5x Riders' Cup Points Show.

The three-night show concluded with the Walking Horse Championship. Four entries contended for the coveted 58th National Trainers' Show title, but only one could claim it. Making that winning performance was Ohtani with John Allan Callaway in the irons for Dr. Barbara Moersch. The reserve champions were Big Henry and Drew Graves.

HORSESHOES & HOMERUNS

RAISES \$7,800 FOR EVALYNNE

The Tennessee Walking Horse industry and local community came together on Wednesday evening, March 25, at Daisy Musgrave Hulan Park in Shelbyville, Tennessee, for Horseshoes & Homeruns, a one-pitch charity softball tournament held in support of sweet Evalynne Stringer. Hosted by Jayden Jackson and Skyler Nipper, the evening served as a meaningful and memorable way to kick off Trainers' Show weekend, bringing people together for fun, fellowship, and a heartfelt cause the night before the show began.

Evalynne, who has cerebral palsy, has faced many challenges throughout her young life with remarkable strength and joy. The purpose of the event was to rally around her and help raise funds to support her ongoing needs. Thanks to the incredible kindness of donors, players, volunteers, and spectators, the event raised an amazing \$7,800, which will go toward paying off Evalynne's accessible van and purchasing a new manual wheelchair.

Four teams took the field for the evening, including J&J Stables, Justified Honors, Thornridge South, and Y2 Automotive. At the end of the night, Team Justified Honors claimed first place, followed by Team J&J Stables in second, Team Thornridge South in third, and Team Y2 Automotive in fourth. While the competition was spirited, the true heart of the evening remained the cause behind it.

The event drew a wonderful crowd and made for a beautiful spring evening in Shelbyville. It also served as a reminder of what can happen when an industry and community come together to support one of their own. From generous donors and volunteers to families in the stands and players on the field, the support shown for Evalynne was overwhelming. Her joy throughout the evening was evident to everyone in attendance and made the night especially meaningful.

Jayden Jackson and Skyler Nipper would like to extend their sincere appreciation to everyone who helped make the event possible, including the teams, donors, volunteers, and all who came out to support the cause. Special thanks also goes to Galsport Game & Gear for allowing use of the park for the event. Horseshoes & Homeruns was a special way to begin Trainers' Show weekend and, most importantly, made a real difference in Evalynne's life.
