# It's Beginning to Look a Lot Like Christmas... in July!

*Gin's Shadow and Jimmy McConnell rode to the title of Christmas In July Grand Champions for owner Mike Floyd of Columbia, Tennessee.*

SHELBYVILLE, TN- As fireworks lit the sky in honor of America's birthday, so did the horse show arena lights in Middle Tennessee. The Fourth of July Walking Horse shows certainly created a bang of their own. Beginning the festivities was the Christmas In July Horse Show. This charitable horse show provides Christmas presents for low-income families in Bedford County. The two-night event was held on Wednesday, July 1st and Thursday, July 2nd at the Bedford County Agriculture Center. 355 entries were reported.

Three honorable judges served on the panel choosing this year's champions. They were Danny Kistler, Paul Robbins and Robbie Spiller. 28 unanimous champions were crowned. Princess Diana CCF and Joe Lester received the first win at this year's show. Christmas Creek Farm owns the champion. The first night of competition ended with the crowning of the Riders' Cup Mares and Geldings Champion. Receiving that honor was Tyler Baucom aboard Jose's Tomboy for owners Billie and Kerry DeArmond.

In the young stallions division Casey Wright directed Jose's Echo to the highest honor in the Riders' Cup Two Year Old Stallions class. Bill and Debbie Woods own the entry. The Yellowstone was the Riders' Cup Three Year Old Stallions winner with Rico Bravo in the irons for the Mary Dell Kilgore estate. Riding to the blue in the Riders' Cup Four Year Old Stallions class was the dynamic duo of Jose Revival and Casey Wright. Bill and Debbie Woods own this champion, also.

Closing out the two nights of great horses was the Racking Specialty Action Championship and the Walking Horse Canter Championship. Skyliner and Bryan Barnhill were crowned the Racking Champions, unanimously, for owner Greg Kiser. Three outstanding entries made the final gate call in the Walking Horse Stake. Gin's Shadow and Jimmy McConnell earned the win for owner Mike Floyd. This champion is the full brother to the 2018 World Grand Champion Gen A'Mighty, also owned by Floyd. Receiving the reserve award was Playing Gin with Tyler Baucom in the irons for Keith and Lorraine Rosbury. El's Predicted Storm and Link Webb rode out with the yellow ribbon for owners LD and Tammy Austin.

The Scoop congratulates everyone for their participation and for presenting their horses in such a professional way.

*Greg Kiser shows off his new trophy after Bryan Barnhill directed his entry, Skyliner, to the Racking Specialty Action Championship.*

## JOHNNY PUCKETT

Walking Horse trainer Johnny Puckett is from Murfreesboro, Tennessee, but currently resides in Wartrace, Tennessee. Puckett considers himself very blessed with a beautiful family, each having been involved in the horse industry at one time. He and his wife Holly have three children—Hailey, Allie, and Dalton. Puckett raises colts and enjoys seeing them move on to the show ring. He also stands stallions at Maple Crest Farm in Bell Buckle, Tennessee. Johnny has been a trainer for over 30 years, but now enjoys judging shows. He got his judging license at only eighteen years old and judged his first show before that at seventeen. He says he has several great memories in the horse industry. However, his favorite memory was when he won his first open World Championship on Fashion Setter, a colt he had started. Puckett has raised many colts that have gone on to win World Championships, but this was the first one he had personally shown and won. The North Carolina Championships in Asheville is his favorite because he adores the cool weather of autumn, and the people there offer the best hospitality.

## BRENT GRIDER

Brent Grider resides in Columbia, Kentucky, the place where he was also raised. He is a licensed judge, horse trainer and barn manager at Brent Grider Stables. His family, who also are no strangers to the show ring, includes his wife Courtney, his daughter Harper and his son Kohen. Harper shows both padded and pleasure horses and Kohen has recently started his career in the Lead Line division.

Brent recalls several fond memories within the horse industry, but the one that is most special was when his daughter, Harper, won her first World Grand Championship at The Celebration. His favorite horse show is the Tennessee Walking Horse National Celebration because you get to see the best of the best in the horse industry. The Honorable Grider has been judging for over twenty years.

# Marking The Cards

*The Scoop is excited to announce the addition of Marking the Cards. This section of our publication will feature those who have accepted the challenging task of choosing your 2020 champions. Whether it's a small one night show or a large multi-night show, every winner is important; therefore, it is our privilege to showcase different judges each week.*

## CHRIS ZAHND

Chris Zahnd has made a home in Jonesborough, Tennessee. Chris, who is well-known throughout the industry, has trained horses for as long as he can remember. Expanding on his love of horses, he now enjoys judging shows, as well. He and his wife, Amber, show horses together and manage their farm in Jonesborough. Zahnd has two children, Emily and Hunter. Emily lives in Shelbyville, Tennessee and shows horses while his son, Hunter lives in Oregon. Chris has been judging for 10 years. He says he has many good memories within the horse industry, but his two most memorable moments were getting to help with Out On Parole and with Gen A'Mighty when they each won their World Grand Championship titles. Zahnd says his favorite show was Jackson, Mississippi because the people there knew how to have a great show and had the best hospitality.

## CHRIS BOBO

Chris Bobo has lived in Shelbyville, Tennessee his entire life. He is no stranger to the Tennessee Walking Horse family, because he's been involved with the breed since he was born. Bobo is a third generation Tennessee Walking Horse owner, trainer, and judge. He began judging in 2004 and greatly enjoys marking the cards. Bobo feels blessed to have a family of whom he says, he would not be where he is today without them. He and his wife, Katybeth, have been married for 16 years, and have three children- Elijah, Benjamin, and Kristyn Eva. Bobo says his greatest experience within the horse industry was anytime he was working with his dad, Bill Bobo. Chris refers to his World Grand Champion dad as the original "horse whisperer". He values these moments the most because his dad is such a great inspiration in his life and he knows a horse better than anyone. Lastly, Bobo says his favorite show is the one he is judging at that particular moment. In Bobo's words, "Judging is not quite the same as showing or putting horses in the ring, but it still puts a fire in me."

## The Scoop For The Walking Horse Industry

### CELEBRATION MAKING PLANS FOR 82ND WORLD CHAMPIONSHIP

#### News Release from the Tennessee Walking Horse National Celebration

The Tennessee Walking Horse National Celebration board of directors continued to finalize plans for the upcoming 82nd Annual Celebration to be held August 26th – September 5th. The board met July 6, 2020 and made some final decisions regarding the upcoming horse show in light of the COVID-19 recommendations from local, state and federal guidelines.

#### 1. BOX SEATING

The Celebration will reconcile the sale of its box seats on July 15th to check available inventory. If at that time box seat holders that would like to move their location to a less crowded area they can work with Celebration staff to do so. The move will be a one-year temporary move and the customer will not lose the right to the original box they've previously had. Also, if the customer moves to a different location they will be refunded the difference in price if the new box is less expensive and charged the difference if the new box is more expensive than their original box.

#### 2. BLUE RIBBON CIRCLE CLUB

The Celebration will have the Blue Ribbon Circle Club but will add a new outside location which will be located in the front lawn of the current Blue Ribbon. The area will have a tent and be equipped with table tops for those that would prefer to be in the outside air but also to increase the spacing of the club. On the most attended nights, the outside location will offer bar service and some food service. The food selection will be similar to past years in the Blue Ribbon Circle but may be limited in the selection as the food caterer will have servers in place instead of patrons serving themselves. The Celebration will follow state guidelines on occupancy and may limit those in the area at any specific time. We will continue to update our pass holders as we get closer to time.

#### 3. CORPORATE SPONSOR PARTY

Unfortunately, the Celebration will not have a corporate sponsor party in 2020. The board just didn't feel comfortable with the current executive orders in place of having that many people in one confined location. Due to this cancellation this year, the board did upgrade the Blue Ribbon Circle decorations, add the outdoor area and on the first Saturday night will have a special meal during the normal time of the sponsor party for those sponsors that would like to eat prior to the show.

#### 4. POST SHOW ENTERTAINMENT

In the past several years the Celebration has hosted after-show entertainment in the Blue Ribbon Circle Club. Those band parties have been very popular but due to the current circumstances the Celebration will not host those parties after the show this year. In addition, in previous years barns have hired bands and entertainment to play at their locations on the show grounds. Unfortunately, in 2020 this will not be allowed due to the large crowds that gather at those barn parties. Individual barns can still have gatherings, food and normal customer entertainment but just won't be allowed to bring in outside entertainment.

#### 5. STABLING

The Celebration will require all championship entries to stable on the show grounds for 48 hours prior to their championship performance. The entry deadline for championship classes will once again be 12:00PM two days prior to your championship evening performance (for example Thursday evening championship entries will be required to be on the show grounds by showtime Tuesday evening).

#### 6. CELEBRATION SELECTS JUDGING PANEL FOR 82ND ANNUAL SHOW

The 82nd Annual Tennessee Walking Horse National Celebration will be judged by

the experienced panel of Rollie Beard, Ross Campbell, Mike Hilley, Sam Sorrell and Leigh Stuart. The panel has a collective 20 Celebration's judged between them. "We are excited to announce this panel for our 82nd Annual Celebration. They bring a wealth of knowledge in both our flat shod and performance divisions as well as a geographic diversity in where they come to us from," said Celebration CEO Mike Inman.

The Celebration judges' committee met on Monday July 6, 2020 and made the recommendations to the full board who later that day ratified the selections recommended by the committee. The Celebration affiliates with the SHOW HIO, which is owned by The Celebration and selects the panel from the list of AAA licensed judges at the SHOW HIO. There were 20 AAA judges that expressed the desire and availability to judge this year's show.

Beard, from Lewisburg, Tenn., is the most experienced of the panel, judging The Celebration eight times previously. The most recent was in 2014 but also includes stints judging in Maverick Arena in 1988, 1994, 2002, 2005, 2008, 2009 and 2013. Beard has been active lately in some of the industry premier events including the 2019 Spring Fun Show, Money Tree Classic and North Carolina Championships. He also judged the Columbia Spring Jubilee this year.

Sam Sorrell, from Lexington, Ky., has previously judged The Celebration six times. Sorrell marked the cards in 2005, 2007, 2009, 2015, 2016 and 2018. Sorrell most recently judged the Money Tree Classic on July 3, 2020 but has judged most every major venue in the industry including twice at The International in 2005 and 2010.

Leigh Stuart, from Alvaton, Ky., has been a popular choice in recent years and will be making her fifth appearance at The Celebration. Stuart previously judged in 1997, 2013, 2016 and 2018. Stuart also judged the Tunica Fall Classic in 2016 and 2019 for The Celebration and she too has judged The International. Stuart is respected for her knowledge of the SHOW rulebook and her role in the drafting of it.

Hilley, from Shelbyville, Tenn., will be marking the cards for the second time in 3 years. Hilley judged The Celebration for the first time in 2018. Hilley has judged the Tunica Fall Classic in 2014 and 2019 and most recently judged at the 2020 Money Tree Classic in Calsonic Arena.

Campbell, from Cullman, Ala., will be making his second appearance in the big oval. Campbell judged with Stuart and Hilley at the 2018 Celebration. Campbell has also judged the Tunica Fall Classic, FAST Spring Showcase, Gulf Coast Charity and Money Tree Classic. Campbell also judged this year's Columbia Spring Jubilee with Beard.

Due to the COVID-19 pandemic the Celebration felt it prudent to select two alternates for this year's show in case any of the five initial selections were to fall ill and be forced to quarantine. Chris Bobo and Paul Robbins will serve in those alternate roles, after both received serious consideration by the committee.

"We are extremely excited to work with this group of judges to make our 82nd Annual Celebration the best it can be. Competition has been extremely tough to start the year and we expect large numbers and deep classes for this group to consider later in August," concluded Inman.

The 82nd Annual Celebration will be held August 26th – September 3rd in Calsonic and Maverick Arenas on the historic Tennessee Walking Horse National Celebration show grounds. For more information contact the administrative office at 931-684-5915.

### OBITUARY- ELVIN SAPP

Elvin Emery Sapp, 84, passed away on July 5th, 2020 at his home in Columbia, Missouri surrounded by his family.

Visitation was Wednesday, July 8th at Memorial Funeral Home with a graveside service that followed in Memorial Park Cemetery. Elvin was born on June 24, 1936 in Boone County, the son of Everett Emery and Velma Loraine Sapp, they preceded him in death.

Elvin graduated from David H. Hickman High School in 1955. As a senior, he began a lifelong career as a respected and well known homebuilder and land developer. He and his father, Emery Sapp built homes together in the late '50's through the mid '70's. In the early '60's he expanded the business to include the development of several residential subdivisions. Elvin had a gift for looking at a piece of raw ground and visualizing its potential. That gift enabled him to develop some of Columbia's premier residential developments throughout his life, Bluff Creek, Thombrook and Bristol Lake being some of the most recent. Elvin enjoyed his work and liked sharing his vision and expertise with family. In the early 90's he furthered his legacy by mentoring his son Shannon into the homebuilding business and later brought both Shannon and his grandson Justin into the development side of the business. He also encouraged his daughter Valerie to represent them as a real estate agent. Elvin with his brother Billy and other family investors were founding members of Columbia Ready Mix and Emery Sapp and Sons, Inc. He served on the Board of Directors of Century State Bank in Columbia and was a past Secretary of the Homebuilders Association.

Elvin married his high school sweetheart and the love of his life, Mary Geraldine (Geri) Murray, she survives. True to their vows taken 64 years ago, their devotion to each other has been an inspiration to many. He is survived by their daughter, Valerie Barnes (Alan), son, Shannon Sapp (Diane), six grandchildren, Justin Barnes (Brooke), Megan Barnes Harris (Tyler), Brittany Sapp Smarr (Kyle), Coleman Sapp, Clayton Sapp and Carley Sapp and seven great grandchildren, Rylee, Hudson and Rhett Harris, Quinn and Lincoln Barnes and Clay and Hayden Smarr. He is also survived by a sister Norma Bennett (Marvin) and a brother, Billy Sapp (Glenda) and several nieces and nephews.

If asked, Elvin would always say he enjoyed getting up and going to work, to him, it was not a job. He loved finding land, picturing it in his head and then developing it. He liked a good Pitch card game and "calling" square dances with family. He also enjoyed showing and raising horses. Many great memories were made with family and lifelong friends while caring for and showing their horses around Missouri and surrounding states. Elvin will be remembered for his devotion to his family and for his great work ethic. He was an honorable and respected man.

In lieu of flowers the family requests donation be made to the Alzheimer's Association or a charity of choice in care of the funeral home. The Scoop sends our thoughts and prayers to The Sapp Family.

*Let's make history again!*

*It was a center-ring celebration for Jose's Red Rock and Chris Helton following their Walking Horse Grand Championship win at the historic Woodbury Horse Show.*

# Happy Birthday America from Woodbury!

WOODBURY, TN- The Woodbury Lions Club held their 84th Annual Horse Show on July 4th. The heavy humidity was not the only thing lingering in the air on the patriotic holiday. The Americana spirit was very present, as well. It was a day for many celebrations. There were fireworks all around Cannon County, Tennessee honoring the birth of our great nation. There was also an array of colored ribbons ready to be claimed as spectators celebrated the Tennessee Walking Horse. Choosing which horse got what color ribbon was the Honorable Brock Tillman who served as judge.

As exhibitors, trainers, owners and visitors arrived to the arena, the aromas from different food vendors were quite welcoming. Represented were The Holy Smoker BBQ, The Chicken Express, Southern Thyme and So So Slushie. The Woodbury Lions Club Horse Show hosted one of their largest crowds in years, and organizers were very pleased to announce 219 entries.

The Riders' Cup Model class was the first on the show schedule. This class was dedicated to the memory of Jeff Givens. Claiming this special blue of the night was The King's Way with Robert Nelms at the lead for the Les Howell Family. Ally Jo Jacobs and My Little Red Wagon claimed the blue in the Lead Line division. Dad, Jake Jacobs was at the lead. This was a repeat win from the prior night's show. The Show Pleasure class was a large and competitive class. Entitlement and Philip Trimble won the blue for Bush and Pittman. A large number of Country Pleasure horses also filled up the ring. Kimberly Walden directed Diamond At The Ritz to the top award.

If you are keeping a record of the talented stallions, you better not blink. This year has showcased some of the most talented young stallions, collectively, than we have seen in years. Taking the top honor in the Riders' Cup Two Year Old Stallions was Terry Manier's entry, Patrick Mahomes, with Tyler Baucom in the saddle. Chad Williams directed Honor Goes To Skywatch to the Riders' Cup Three Year Old Stallions win for the Evergreen Walking Horse Farm. Claiming the Riders' Cup Four Year Old Open division was Mach I and Jimmy McConnell for owner Donnie Taylor.

The Walking Horse Championship was the final class of the show, as well as, the final ribbon for the four straight nights of competition. Four entries rode for the title, and getting the judge's 1st place mark was Jose's Red Rock and Chris Helton. Jimbo Conner owns the World Grand Champion contender. Fly Dragonfly and Jimmy McConnell claimed the reserve award. The Scoop congratulates the Woodbury Lions Club on their incredible 84th horse show.

# Money Tree Classic Crowns Champions

SHELBYVILLE, TN- As the Fourth of July horse shows continued in Middle Tennessee, the Money Tree Classic was next in line. This show is hosted by the WHTA Ladies Auxiliary and took place on Friday, July 3rd. Because of social distancing from COVID-19, the ladies decided to move the show inside the Calsonic Arena. The crowd was outstanding, the classes were large, the horses were great and the competition was deep; the perfect components for a stellar show.

As part of the 38-class event, the WHTA Ladies Auxiliary made a center-ring presentation to their 2020 Auxiliary Scholarship recipients. Earning those rewards were Maggie Loyd, Olivia Mason and Morgan McCormick. There was also fun happening in this year's new addition, the Money Tree Lounge, located inside the Hall of Fame Club.

Something special that has become a great tradition with the Money Tree Classic is a floral horse shoe for each class winner. These beautiful creations make each victory pass that much sweeter. The three distinguished judges that chose those champions were Nathan Clark, Mike Hilley and Sam Sorrell. This panel tied 24 unanimous winners.

Opening the show's competition were classes for the youngest equestrians. The Equitation 11 & Under class welcomed Finley Grace Brooks to the winners' circle, receiving the first blue of the show. The Lead Line division was next and My Little Red Wagon carried Ally Jo Jacobs to the blue as her father Jake Jacobs was at the lead. The Country Pleasure Youth class followed Lead Line. It was one of the largest classes of the night with many World Champion horses. Claiming that top prize was Abi Smith aboard Diamond At The Ritz.

The Walking Horse Championship was the show's grand finale. Two entries answered the gate call, but it was Tyler Baucom and Minor Ordeal that exited with the championship title and the floral horse shoe. This World Grand Champion contender is owned by the Dean and Riddley partnership. Receiving the reserve honor was Mr. For Real with Jimmy McConnell in the irons for the Meadows and Myers partnership.

The WHTA Ladies Auxiliary was pleased to announce 259 entries.
